THE 10TH DUKE OF RICHMOND AND GORDON

It was with great sorrow that we heard of the death of His Grace the Duke of Richmond and Gordon in September, after a short illness.

Sussex Community Foundation was founded by the Duke in 2006 and he was our first chairman. Since 2006, the Foundation has raised over £25 million for Sussex people, charities and community groups across Sussex. This success is due to the vision of the Duke and his initial drive and determination to establish the Foundation. The people of Sussex have benefitted hugely from his vision, compassion and commitment.

The Duke of Richmond was an extraordinary and wonderful man. He had a strong faith and a commitment to use his position as Duke to make the world a better place and to help those less fortunate than himself. He will be sorely missed but leaves a great legacy to our wonderful county.
